**ORDER:-**

In the reference 1st read above , the Government have accorded administrative sanction for 2382 critical gap works with an estimate cost of Rs.5946.54 lakhs under 15% ARWS grant in the state., with a view that these sanctioned amounts will help in making the concerned water supply scheme operational which at present is non-functional due to the absence certain components due to lack of funds.

2. In the reference 2<sup>nd</sup> read above, the Chief Engineer,RWS, Hyderabad, has informed that during the inspections of Districts, it is observed that most of the critical gap works are not either entrusted or grounded due to Election Code. For most of the works, the estimate costs range from Rs.0.40 lakhs to Rs.5.00 lakhs. But, the Execution of these critical gap works is very important to mitigate the drinking water situation during the ensuing summer. And further the Chief Engineer (RWS-I) Hyderabad has requested the Govt. to obtain necessary permission from the Election Commission for continuing the tender process, Entrustment process and grounding of the critical gaps works in all the Districts sanctioned so as to complete the works to solve the drinking water problem.

3. Government after careful examination of the proposal of the Chief Engineer, RWS-I. Hyderabad hereby accord permission from the Election Commission for continuing the tender process, Entrustment process and grounding of the critical gaps works in all the Districts sanctioned so as to complete the works at the earliest which will enable the habitations concerned to tide over the summer scarcity situation of the drinking water . However, care must be taken to not associate any non-officials or do any ceremonial inaugurations of any of the said schemes.

3. The Chief Engineer, RWS-I, Hyderabad., is take necessary action in the matter.
